Application For Redressal of Grievance

Dear sir,

This is to request you that we have given our shop to Mr Abad Ahmad Fareedi from June-2002, on Leave & License rule base (on rental) for initial three years we never visit the shop because my husband passaway in the year of 2000, my both son were studying & doing part time job my daughter also was searching for a job. But then also I am sending my elder son to visit weekly to our shop. But we didn't know that such things will happen otherwise, I would have kept eye on Electric metre & Bill in this case the tenant Mr Abad Ahmad Fareedi was giving relief that he will settle this matter. But after all he has not done anything & finally the power was disconnected. In this period I was not here to see this matter because our closest family member was passed away. I was at native place I was not aware of this matter that's why it was delayed.

After that the tenant was refused to do anything and then he came to us that there is no power what can I do then we started the process to solve the problem. We approached the vigilans department but they said that now the case is not in our hand. You go to appeal then after we came to the the forum. Now the matter is going extremely beyond my limit because I have not seen rupees 1lac altogether in my life and also there is no difference in meter reading The amount was 1,46,000. so please this is my request to you people that you please see this case very carefully and politely

The tenant Mr Abad Ahmad Fareedi giving monthly rental of rs 2500 From last year before it was only rs 2000 and there is only deposit of rs 20,000 against the shop
We will be highly obliged to you people do something which favours our side

Thanking you

Yours faithfully,
