During the course of the argument, the letter written by the owner of the said land dtd. 02/02/2016, was brought to the notice of the Forum by the Nodal Officer, Mr.Mritunjay Jha. After the perusal of the said letter it- appears that some dispute is going on between the owner of the land and the tenants which is pending before the H'ble High Court and City Civil Court being Petition No.2363.

It also appears that in this background the owner of the land is having objection on giving electricity supply either through meter or the cable without his permission.

In view of this, the stand taken by the RInfra Company asking the applicant to produce the NOC , appears to be justified.

This Forum is in the opinion that there is no substance in the matter and this application is deserved to be dismissed.

In view of this the application is disposed off.

No order as to cost.
